For immediate release

## Share your memories at the North Lynn Carnival

The Working Together for North Lynn and North End Forum are inviting residents to come along to their stall at the 'Cool Crazee Carnival 2008' in North Lynn on Saturday 6th September and share their memories of the area. The forum will be running a 'Celebrating North Lynn' stall which will include details about activities and events happening in North Lynn as well as photos and information about the history of the area.

Sharon Ludford, Improving Neighbourhoods, explained: "We want to build up a display of photos of the history of North Lynn and North End. We are asking residents to bring along photos and share their memories of the area with us; if they could bring a spare copy for us to keep that would be great and this will form the basis of the display."

"The Improving Neighbourhoods Team will also be on the stall to find out what people feel about living in North Lynn and what bothers them. Please come along and let us know what you think! – you could win a £50 supermarket voucher in the FREE draw!"

The Working Together for North Lynn and North End Forum is made up of representatives from local community organisations and agencies working in the area. Their aim is to promote the wellbeing of people living and working in North End and North Lynn.

The 'Cool Crazee Carnival 2008' is organised by the North Lynn Community Association. The event begins at 11.15am when a procession of floats will leave Pecks Field. A range of fun activities will be taking place at Lynnsport between 12pm and 5pm including stalls, amusements and a bbq.

Ends
